

Création d'un site web

Cahier des charges client :

- thème du site : création d'une entreprise innovante
- maquette du site
- réalisation d'une fiche personas

Outils :

- VSCode
- HTML,CSS
- flex
- git

Compétences :

- git
- UX/UI
- menu, animation, formulaire

The screenshot shows a website layout for 'EQUITEC'. At the top, there's a navigation bar with links for ACCUEIL, ENTREPRISE, DÉTAIL, and CONTACTS. There's also a search bar and a 'Rechercher' button. The main content area has a light purple background. On the left, there's a large image of a brown leather saddle with metal stirrups. Above the saddle, the text 'SELLE CONNECTÉE : PERFORMANCE CONFORT ADAPTABILITÉ' is displayed in bold capital letters. Below the saddle is a blue button with the word 'ACHETER' in white. To the right of the purple section is a photograph of two people riding horses on a beach at sunset. The sky is filled with warm orange and yellow hues, and the water reflects these colors. The horses and riders are silhouetted against the bright sky. Their reflections are clearly visible in the wet sand on the beach.
